WHAT IS A QUADRIPLAGIC?

A Quadriplegic is one who is disabled in all four limbs as a result of injury or illness (usually motor vehicle accidents, violence, diving accidents, rugby injuries, etc.).

The degree of paralysis is determined by where the spinal chord is severed. For example, damage to the C4 cervical vertebra (closest to the neck) results in total paralysis from the neck down. Damage to the C6 vertebra results in paralysis from the neck down, but with partial movement of the arms and no hand or finger co-ordination or control. Damage lower down the spinal column results in paraplegia. A Quadriplegic is of sound mind, trapped in a functionless body.

A Quadriplegic needs to be washed, fed, dressed, and toileted. They require assistance from trained carers to see to these basic needs.

THE DURBANVILLE QUADRIPLAGIC CENTRE

This is a House accommodating twelve Quadriplegics and Paraplegics which was founded in November 1994 by the late Andries Olivier, himself a Quadriplegic, (severed C4 cervical vertebra). The original house was in Kuils River and was known as Huis Andries Olivier. Now situated at 18 Hafele Street, Durbanville (behind the Day Hospital), the Centre is known as Andries Olivier Durbanville Quadriplegic Centre.

The monthly cost to run such a House is extremely high. A monthly state subsidy is received but this only covers approximately 20% of the monthly expenses. This means that regular fund-raising initiatives must be held in order to raise the balance of the funds required to keep the Centre open. The Club 500 is one of our fund-raising projects.

**We appeal to you to assist us with our worthy cause.
You could win up to R1,500**

Commit to a monthly donation of R50 arranged through debit order, stop order, internet transfer or cash payment, as preferred. Annual payments are also acceptable. (Lesser or greater donations are accepted with appreciation)

Each month 3 Lucky Prizes will be drawn:

1st Prize R1 500

2nd Prize R1 000

3rd Prize R 500

(Winners will be notified after each draw)

Membership is limited to 500 and is open to all. A membership card will be issued to all members.

Proceeds will be used towards the daily running of the House. The Project is professionally managed by Multi Data Debit Collection System (A member of the Sanlam Group)

The House is a project of the QuadPara Association of the Western Cape and is a registered NPO & PBO
